VISION SUNDAY

23

CLOSER LOOK: 01.22.2023

VISION

Scripture: Proverbs 29:18; Habakkuk - 2:2-3; Acts 9:1-6, 15; Psalm 92:13; Ephesians 4:14-16; Lamentations 1:6; Daniel 1: 3-5; 1 Samuel 17:40; Exodus 14:15

Ice Breaker:

As Ps Joe spoke of the vision to expand campuses, where would you like to see the next campus? Would you go to another campus if it was easier and closer to your home?

Message Notes:

1. God's Vision for you has always existed!
 - Spirit - Soul - Body
2. God's Vision for you unfolds and grows!
 - Jesus touched eyes of man twice. We have to see what God wants us to see.
3. God's Vision for you tests you!
4. God's Vision for you empowers you!

CELEBRATION CHURCH EXISTS TO:

- A. Connecting people to Christ
- B. Connecting people to the church
- C. Connecting people to their call

Prayer:

Dear Lord Jesus, as I wake each morning, may I have YOUR vision for TODAY. May I see what you want me to see and may I grow in my relationship with you. May your Word light my path and guide me into all you have prepared. Guide me with your Word, your promises and your presence. Amen

Questions:

1. Have you ever made plans without having a vision in place beforehand? Ps Joe used the illustration of buying furniture without knowing where you'd put it? Have you purchased furniture without knowing where it would go?
2. Have you ever been in a more of a 'religious' church environment? What was the experience?
3. Have you ever felt God gave you a vision? Has it come to pass? How have you grown in the process - the waiting?
4. In what areas are you praying for a clearer vision from God.
