Everyone take a minute to google what generation each member of your group belongs to (Gen Z, Millenials, Gen X, etc.), and everyone share what it is. Name ONE thing about your generation that you love personally...

Message Notes:

Values of Gen Z:

1. Authenticity
2. Inclusion
3. Creativity
4. Mission
5. Drive

Values Make You Better, Bigger, Bolder

Values of Family:

1. Value the Word of God
2. Value of a Biblical Worldview
3. Value the House of God
4. Value of Endurance
5. Value of People

Questions:

1. Ps. Joe shared that your BELIEFS influence your THOUGHTS which influence your WORDS which influence your ACTIONS which influence your HABITS which influence your VALUES which influence your DESTINY. Thinking on this, what area in your life do you struggle with changing? Why?
2. Statistics were shared on how parents struggle with insecurity in having deep conversations with their kids, yet their kids desire those conversations. Share personally how this applies to you (either as a parent or when you were a kid ?

Prayer:

Father God, We thank you for who you are. Help me to train my spirit to endure hard seasons. Help me to have hard conversations. Help me to put you first and through your values become better, bigger, and bolder. AMEN
