Prayer:

Lord-I know you want the best for me and that includes peace in the midst of my situation. Your word says that love casts out all fear. Show me your love this week. In Jesus name-Amen

Questions:

1. Have you ever experienced rejection from your community of acceptance? Many people often find a 2nd community of acceptance which can be a good or bad experience. Everyone take a moment to share on a time you may have sought acceptance elsewhere and its result.
2. The “real you” is not what you are saying, it’s what you are thinking. When you think of yourself, what are thoughts that consistently come up? It may surprise you to learn you are not alone. Commit to covering one another in prayer this week
