IceBreaker Question: If you had to pick 1 song to be your theme song, what would you pick?

Message Notes:

YOU WIN IN LIFE:

1. Knowing the battle is the Lord's
2. Knowing the battle is won by faith
3. Taking every thought captive
4. Declaring the Word of God
5. Having Eyes Opened

Questions:

1. Are there any battles in your life that you've taken as your own? How can you return them to their rightful place of being the Lord's?
2. Maturing in Christ means continuing to grow in faith. What do you feel your next step in that growth might be?
3. Whether battle time or peace time in your life, where do you feel you need an increased amount of discernment?

Prayer:

Lord, thank you for your gift of discernment. Please increase my ability to see in the Spirit, to understand the spiritual realities of what is happening around me. Give me the grace to respond with wisdom. In Jesus' name. Amen
