“WORSHIP”

Key Scripture: Psalm 115; Rev. 15: 2-4; Psalm 137:1-4; Rev. 1:1-3, 19-10, 22:7-9; 1 Cor. 8:6; Heb 13:15

IceBreaker Question: Go around the group and everyone share their favorite worship song and favorite lyric that resonates with them personally

Message Notes:

Worship Says:

1. God's grace has made me acceptable
2. God's grace has called me to His love
3. God's grace has defeated our enemies

Questions:

1. Ps. Joe reminded us that we are created to worship God and how our worship is our expression to God. How is our song an expression to God?
2. What are some ways that the world tries to pull our attention away from worshipping God?
3. Share a time when you decided to worship God in spite of a difficult time. How did worship change your perspective of your situation and your view of God?

Prayer:

Father, thank you that your grace has made me acceptable, it has called me to your love, and it has defeated the enemy. Help me to remember your grace and to worship you in spite of how I feel or what I am facing. You are bigger than any problem and you are always worthy of my worship! AMEN.
