“LEGACY: Increasing Influence”

Key Scripture: John 3:16; 1 Corinth. 15:45; Luke 12: 15-23; 1 Samuel 25: 1-39

IceBreaker Question: We are called to be the salt of the earth. In a spiritual sense, what about others “salt” is attractive to you?

Message Notes:

We Are Called To Be Influential By:

1. Locations
2. Leadership
3. Life
4. Global

Questions:

1. Heaven is a real place and it is what God wants for each of us. When you think of heaven, what do you think of?
2. Ps. Joe talked to us about the 1st Adam who is selfish, soulish, about his own kingdom, and the world. He also talked about the 2nd Adam who was life-giving, selfless, God-led, and about heaven. Which Adam do you tend to follow on hard days? On good days?

Prayer:

Father, I ask that you would come close to my heart and mind today. I ask that you would help me be influential with the word wherever I am today and with whatever opportunity I have been given. Create in me a saltiness that will draw people to you. AMEN.
