# CELEBRATION CHURCH

IT IS *AUSTIN*

# CLOSER LOOK: 11.13.22

## “RELATIONSHIPS: NOAH”

**Key Scriptures:** Hebrews 11:7; Genesis 6:5-8; 11-14; 8:15-18; 9:20-20; Galatians 6: 1-10; 6: 2; Ephesians 5: 1-2; Peter 4:7; James 2:8-13

**IceBreaker Question:** Ps Joe mentioned in his message how we do not get to pick our family. We all have a “unique” family member. Share with the group a funny story about that unique member in your family and what you appreciate about them.

## Message Notes:

This holiday season, when gathering with family, remember to:

1. Walk In Spiritually
2. Walk In Gently
3. Walk In Humbly
4. Walk in Mercifully
5. Walk in Responsibly

## Prayer:

Father, thank you that you have grace for us when we fall and you always restore us gently. Help us to treat others with mercy and grace when they fail and treat them the way you treat us all. This year as we gather with family and friends, help us to see through spiritual eyes and love instead of judge. AMEN.

## Questions:

1. Read Genesis 9: 20-28 together. Why do you think Ham exposed his father? Why do you think that Shem and Japheth's reaction was different?
2. What are some natural perspectives we can have about someone when we walk into their poor behavior/choice? What about when we walk into it with spiritual eyes?
3. Has someone ever walked into your poor behavior /choice and covered you instead of exposing you? What did you learn from that experience that you can share with the group?
