“The Truths of God”

Key Scriptures: John 16:33; Romans 8:37-39; Matthew 6:15; 1 Peter 5:10;
Romans 8:28

IceBreaker Question: What is a holiday tradition that you have with your family? Who do you gather with for the holidays?

Message Notes:

The Truths of God:

1. Truth that God loves you
2. Truth of God's forgiveness
3. Truth of God's redemption

Questions:

1. Are the holidays a time you embrace or are they are time you just want to get through? What about them makes them that way for you?
2. In your relationships, are you the first to ask for forgiveness? Are there relationships where you need to forgive someone?
3. Have you seen God's redemption in your life? In the healing of a relationship? In a return to your walk? Everyone take a moment to share.

Prayer:

Father God, we come to you flawed and broken and asking that you redeem us daily to be righteous and whole with you. We ask that you help us not just get through this season, but to reflect on this season what your Son came to do for us. We thank you for your love and faithfulness. We love you Lord.
