Message Notes:

As For Me....

1. When I am overwhelmed, I believe God's power is greater than any problem
2. When I am confused, God fits everything into his plan
3. When I am in lack, I believe God has paid the price for my forgiveness!
4. When I have been hurt, I believe God will strengthen me!
5. When I have suffered defeat, I believe God will make me a winner!

Prayer:

Father, no matter where I am, you are with me. In every situation and in every emotion, you are there. Thank you for this. I need you and I speak these declarations to myself to remember that you are the God that sees and the God who will never leave. AMEN.

Questions:

1. Have you ever been in a circumstance where you've felt hopeless? Were you relying on yourself or 'man' during this time?
2. What does your time with God look like? Is there a time in the day that you make to spend with Him?
3. Have you seen in your walk that your relationships have changed? Are you friends with the same people you were before your salvation?
