

"Closer Look"

Bringing the weekend message
into our daily lives.

Decisions for a Great 2022 January 2nd, 2022

Option 1: Take the first 10 minutes of your group to take a closer look at what the weekend message spoke to each group member. Share your takeaway and then dive into your curriculum.

Option 2: Take the whole group time and go through the questions, group challenge and all the closer look resources. Your time together will build your faith as you grow together.
